**OFFICE POLICIES:**

Regarding Insurance: Your insurance policy is a contract between you and (or) your employer and your insurance company. You are responsible for what diagnosis and/or procedure(s) may or may not be considered for payment. We will not become involved in disputes between you and your insurance company regarding deductibles, co-payments, covered charges. “usual and customary” charges, etc., other than to supply factual information.

**Affordable Care Act(ACA):** Many of the ACA dental policies are very limited with a lot of age restrictions and limitations on services. It is your responsibility to know and understand what services are covered and what limitations your policy may have.

We will gladly process your claim but we request that you pay your estimated portion when services are rendered. **You are responsible for any charges not paid by your insurance company.**
